in possession (collectively, the "Debtors") in their Chapter 11 cases, hereby files this First Quarterly Verified Interim Application of Holme Roberts and Owen LLP for Compensation and Reimbursement of Expenses for April 2, 2001 through September 30, 2001 (the "Application"). By this Application, HRO seeks interim allowance of compensation in the amount of \$285,970.50 and reimbursement of actual and necessary expenses in the amount of \$47,668.25 for a total of \$333,638.75 or 100% of all compensation and expense reimbursement requests for the period April 2, 2001 through September 30, 2001 (the "Fee Period"). In support of this Application, HRO respectfully represents as follows:

Jurisdiction

1. This Court has jurisdiction over this matter pursuant to 28 U.S.C. §§157 and 1334. This is a core proceeding pursuant to 28 U.S.C. §157(b)(2).

Background

2. On April 2, 2001 (the "Petition Date"), the Debtors each filed voluntary petitions for relief under Chapter 11 of the Bankruptcy Code. On the Petition Date, the Court entered an order procedurally consolidating the Chapter 11 Cases for administrative purposes only. Since the Petition Date, the Debtors have continued to operate their businesses and manage their properties as debtors in possession under sections 1107(a) and 1108 of the Bankruptcy Code. On April 3, 2001, an Application of the Debtors to Employ and Compensate Certain Professionals Utilized in the Ordinary Course of the Debtors' Business was filed in the Chapter 11 Cases.

3. On or about May 3, 2001, this Court entered an Order granting the Application of the Debtors to Employ and Compensate Certain Professionals Utilized in the Ordinary Course of the Debtors' Business (the "OCP Order"). Initially, HRO was included among the

professionals the Debtors sought to employ under the OCP Order. Upon further review, the Debtors determined that it would be in the best interest of the bankruptcy estates of the Chapter 11 Cases to file a separate application regarding its proposed retention of HRO. By this Court's Order dated July 18, 2001, *nunc pro tunc* April 2, 2001, the Debtors were authorized to employ HRO as special environmental counsel ("HRO Retention Order"). The HRO Retention Order authorizes the Debtors to pay HRO at hourly rates charged by HRO for services of this type and to be reimbursed for actual and necessary out-of-pocket expenses that it incurred, subject to application to this Court in accordance with the Bankruptcy Code, the Federal Rules of Bankruptcy Procedures, and applicable local rules and orders of this Court.

4. Prior to entry of the HRO Retention Order, HRO understood and believed that it would be compensated and reimbursed pursuant to the OCP Order as an ordinary course professional in an amount not to exceed \$50,000.00 per month. Recently, HRO was informed by a representative of one of the Debtors, that the most expedient manner for approval and payment of HRO's fees and expenses incurred to date, would be for HRO to submit an interim application requesting approval of fees and expenses for the Fee Period. Hereafter, HRO will submit monthly fee applications and regular quarterly fee applications for approval of its fees and expenses incurred in representing the Debtors as special environmental counsel pursuant to the Interim Compensation Order. Accordingly, the amount of compensation and reimbursement requested in this Application represents the total amount of HRO's fees and expenses for the Fee Period, which covers the first and second quarterly fee periods.

5. Pursuant to the Interim Compensation Order, professionals are to file and serve upon the notice parties a quarterly request for interim Court approval and allowance of the monthly fee applications filed during the quarter covered by the a quarterly fee application. If the

Court grants the relief requested by a professional in its quarterly fee application, the Debtors are authorized and directly to pay the professional 100% of the fees and expenses requested in the monthly fee applications covered by any given quarterly fee application, less any amounts previously paid in connection with a monthly fee application.

6. To date, HRO has not (i) submitted any monthly fee applications, (ii) submitted a quarterly fee application, and (iii) received payment for any fees nor reimbursement for any expenses incurred, since the Petition Date. Accordingly, the Application submitted herein is a combined request for approval of all monthly and quarterly fees and expenses for services rendered by HRO to the Debtors and expenses incurred on the Debtors' behalf by HRO from the Petition Date through September 30, 2001.
